Registration Information Leaflet 2020

Dear final-year student,

As you near the end of your studies and look forward to commencing your career as a health and social care professional, it is recommended that you register with CORU.

For final year students, the registration process commences several months before a student completes his or her final year exams. Please see page 3 for key steps in the process. Advance preparation includes a check that your proof of identification will be current when you apply for registration.

A more detailed document, *Guidance Notes - Applying for Registration Online*, is available on www.coru.ie.

Police Clearance from other Jurisdictions

An applicant for registration who has resided outside of Ireland and/or Northern Ireland for one year and one day or longer, after the age of 18, is required to provide a certified copy* of police clearance from the jurisdiction(s) or state(s) of previous residence which must post-date the time spent in each country. CORU reserves the right to seek a sworn declaration where a satisfactory police/criminal records disclosure cannot be obtained. Please note that this declaration form is issued by CORU in exceptional circumstances only.

Read about CORU at www.coru.ie

CORU is the name adopted by the Health and Social Care Professionals Council. The website provides information about the role and functions of Ireland's only multi-profession regulator.

8 Steps to Registration

1 Gather your proof of ID and current address and foreign police clearance.

If your qualification results are transferred directly from your college or university to CORU, you will not need to provide your qualification details.

(Please check with your college or university)

See website and guidance notes for required documents and acceptable forms of ID.

2 Photocopy all of your qualifications documents, proof of ID and current address.

(You can get the copies certified later)

3 Apply for registration online at www.coru.ie when you pass your exams.

The application fee is €100

Application fee includes retention on the register until the annual retention date for your profession.

4 On completion of the online application process, download the following documents:

- > eVetting Invitation Form
- > Statutory Declaration Form
- > Application Cover Page

(You may also wish to download the applicant guidance notes)

The statutory declaration form must be signed and witnessed at the approved certifiers* office so don't sign in advance.

5 Complete all of the downloaded documents.

Don't sign the statutory declaration form until you are at an Approved Certifier's* office

6 Visit your local Approved Certifier's* Office.

Bring all your documents (originals and copies) and the statutory declaration to one of the Approved Certifiers*

He/She will certify the copies and witness your Statutory Declaration

The rate for witnessing and certification of copies varies so you may need to shop around!

7 Send the following documents to CORU by Post:

8 Complete your eVetting application online.

You will receive an eVetting invitation email. Follow the link in that e-mail to complete your vetting application. You will be notified when CORU receives your eVetting outcome.

Remember that it can take several weeks to verify and compile your application for presentation to the Registration Board for your profession.

CORU will process both your registration and vetting applications and will contact you if there is anything outstanding.

***Certified Copy Policy:** To certify a photocopy of an original document, a Solicitor, Commissioner for Oaths, Notary Public or Peace Commissioner must sight the original document and the photocopy of the document at the same time.
