

How to Generate a Statement of Application

We understand that employers may wish to check an application's status/ progress regularly with their staff.

Please refer to the step-by-step guide below, which explains how applicants can provide employers with evidence of their application submission.

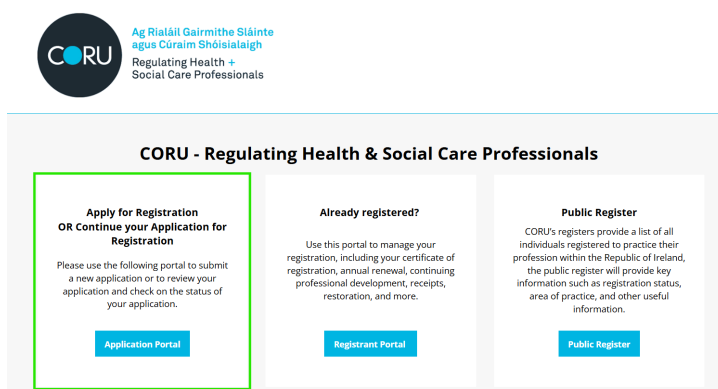

1) Generating a Statement of Application

Applicants who have submitted an application can download a **Statement of Application** which shows that you have applied for CORU registration including the application number, submission date and status of your application.

To Access your Statement of Application.

1. Log into the Applicant Portal by choosing the left option on the CORU Portal:

CORU - Regulating Health & Social Care Professionals

2. Once you have logged in, select the **'Documents'** button next to your submitted application.

Online Applications

Welcome! To get started with a new application, select "Start New Application" below. You may not be able to start a new application if you already have one in progress.

Please follow the step-by-step instructions to complete your application. Your progress will be saved as you move between application steps. You can leave and return to the application at any time to pick up from where you left off. Once the application has been submitted you will no longer be able to modify the application.

Return to this portal for updates and information related to the application by clicking the 'Documents' button to the left hand-side once you have submitted your application.

Should you need assistance, please email us at registration@coru.ie for all other queries.

Below you will find all current and historical applications.

Application No.	Application Type	Profession	Application Status	Submitted Date	Decision Date	
177145	International Qualification Registration - Speech and Language Therapist	Speech and Language Therapist	Stage 1: Application Received	08/07/2026	N/A	→ Documents → Review ✕ Withdraw Application

3. In the Application Documentation page, select '**Download**' to receive your Statement of Application.

Application Documentation
