

## **Social Care Workers Criteria for Education and Training**

The Social Care Workers Registration Board Criteria for Education and Training Providers state that,

2.13 The profile and roles of the practice education team must be described. Practice educators must also be registered with the appropriate registration board.

4.2 The named person with direct responsibility for the design and integration of the profession specific components of the programme must have appropriate qualifications and experience. S/he must also be registered with the appropriate board unless other arrangements are agreed, for example, during the transitional period.

4.5 Those responsible for delivery and assessment of the core professional elements of the programme must be registered with the appropriate registration board.

The Social Care Workers Registration Board would like to advise that for the programme approves the evidence of a registration number(s) to demonstrate the above criteria will not be required. This is until such time as the register for social care workers is opened and the transitional grand-parenting period complete.
