## **Election of Members to the Occupational Therapists Registration Board at CORU**

**Candidate:** Niamh Doyle

**Registration No:** OT014338

**County of Practice:** Clare

**Nominated in Category:** Category 1: Registrant engaged in the practice of the profession

### **Personal Statement/Biography:**

Niamh Doyle has been an Occupational Therapist for 23 years. She trained in Cardiff, Wales and has worked in Scotland, Australia and Ireland. She has a wealth of experience in various settings including acute hospital care, rehabilitation and most recently primary care.

Niamh currently works part time in primary care in Ennis, Co Clare. She is a member of the Mid West Aids and Appliances review group and recently has been active in new developments within her service and region including the Memory Technology Resource Room. Niamh has a special interest in clinical supervision and student education. During the current pandemic, Niamh has been redeployed to a community testing centre where she acts as a co-ordinator and also provides ongoing cover to her primary care team. Niamh is excited to be considered for appointment to the Occupational Therapists Registration Board.

On a personal level, Niamh is married with 3 children. Her interests include reading/book club and step aerobics and she is currently learning to play the piano. She enjoys her role as a coach for U8 girls in her local soccer club. Niamh also volunteers with Community Games at local and county level, where she is the Children's Officer for Co Clare.

## **Election of Members to the Occupational Therapists Registration Board at CORU**

**Candidate:** Aislinn Griffin

**Registration No:** OT022570

**County of Practice:** Dublin

**Nominated in Category:** Category 1: Registrant engaged in the practice of the profession

### **Personal Statement/Biography:**

Aislinn Griffin is a Senior Occupational Therapist working in St. James's Hospital. Aislinn is currently working in the Occupational Therapy Outpatient Department in a split post. One aspect of Aislinn's current role is developing and implementing the specialised memory and attention rehabilitation therapy programme – a cognitive rehabilitation programme for people with dementia. Aislinn spends the remainder of her time as part of the emergency department team providing an outpatient service for people who present to the emergency department with a concussion.

Aislinn graduated with a B.Sc. (Hons) Occupational Therapy degree from Glasgow Caledonian University in 2014. Prior to working in St. James's Hospital, Aislinn spent over two years working in a community rehabilitation hospital in Singapore and a short period of time in Naas General Hospital.
